

THE HIDDEN CRAFT NOOK

Fall 2018

Up Coming This October, November and December!

A few new things this fall...

An exciting new opportunity presented itself this spring and it looks like we are a go for an exciting partnership with Delta Ocean Pointe Resort. I will facilitate 6 card-making workshops through November and December at the resort. It is a quick 30minute instruction class and then 1½ hours of creative time. I hear there may be beverages and a few goodies. Stay tuned for details!

I have decided not to participate in any of the holiday markets, so I thought I would bring you a casual shopping experience right here in the workshop.

There might even be cookies!

Coming to you....

After having a ton of requests, I am taking this show on the road. If you can find 6 friends and a space to be creative I will book you a trip right to you. You can select the theme of the cards and the date.

Can't find a space but have lots of friends? No problem come work in my space as a private class.

All you have to do is contact me by email.

Be Creative!
